### PRAYER

- Please pray for political and social stability in the country, especially on issues of government administration and corruption.
- Pray for the Lord to eradicate violence; in recent weeks there have been many violent deaths, some in prisons and others in places of social gatherings.
- Pray for the development of new leaders and for these new leaders to be able to say like Isaiah, "Here I am, send me."

### PRAISE

- We praise God for His protection and care during the pandemic and post-pandemic.
- We thank God that in the midst of economic difficulties our country is going through, congregations have been faithful in support of their pastors and continued to give faithfully for World Evangelism.
- We thank the Lord that by His grace, we have been able to support our ministry in the establishment of four new churches, 17 new missions, and 20 new preaching points. The Lord has been very good to us!
